CORRECT! Model mayhem is involved and a CRIME!

And you know DAMN WELL WHO I AM and what is going on, and why they Banned me when I told them I was being harassed by mass groups taking turns on me, destroying my life, and name worldwide on every level known to man!

So, I will put it simply like this. Since Model Mayhem, and those that were working with them like AUBREY FISHER who told me to sign up here after she saw me Get into photography. Asked her for my technical skills in Photography, and worked with your site, and entire user base to take turns on me.

Try to make me mentally ill, try to lock me in jail. Then follow me to every other Industry. And EXTERMINATE ME. With MODEL MAYHEM complete support. Then BANNING me because they are Jew Haters or something.

Involved in such crimes as LIBEL, SLANDER, DEFAMATION, and in this case, CRIMINAL DEFAMATION as well. I will ask you nicely once!

To accept this account so I can continue my photography. And if you do not! I will put Model Mayhem at the TOP of [www.KevinPerelmanTarget.com](http://www.KevinPerelmanTarget.com) and start an entire new site dedicated to EXPOSING the CRIMINAL ACTIVITIES of Model Mayhem and those helping. And all the old screen shots of your post board you took down on the front page where it was happening for YEARS non stop, and is now being done to me worldwide non stop for 17 years

Bringing back the old blogs with Model Mayhem screen shots and terror boards. And YOU KNOW DAMN WELL EXACTLY WHO I AM, and What is being done to my life. And if you CHOOSE to make a MORAL decision to help destroy my name and LIFE, is will do everything I can to make sure, the world knows that you are still working on me to stop me from pursuing Photography and every single level known to man. With your endless slew of lies to the world as you DIG for information to use against me. To cover up your crimes.

So, I hope for model mayhem sake, now that I have 10 Terabytes of proof of mademoiselle and related crimes all connected. I hope you make the right decision, and start leaving me alone

And I really could not care less about your peoples delusional opinions about my personal life, as you follow me around spying to try to collect dirt on me to try to make your ACTIONS look justified

So don't try to use that I was banned as a lame excuse to cover up your endless now worldwide crime spree against me with. Especially with [AUBRY](#) FISHER! And you know who I am talking about.

This time after 17 years of your mass attacks riling up the masses against, I will not be so nice when it comes to getting the word out about what [Modelmayhem](#) is doing to my life. And that past will come back out of what you did to my life.

So when you make your decision this time, I hope it's on the side of truth, honesty and what is right, because my portfolio speaks for itself, and the only person that is going to ban me is some jealousy no talented piece of crap working with Aubrey Fisher and her friends while she asks for my expertise and tries to frame me over and over.

That is all I am going to say
